BUSINESS RESILIENCE COMMAND & CONTROL (BRCC)

Swift Monitoring & Response: BRCC is actively monitoring disruptions that may impact business and public life, providing Situation Report and Advisories. SCSC & Cyberabad Traffic Police is in active collaboration with 19 DRF teams deployed across Cyberabad to respond to monsoon disruptions.

We extend our heartfelt gratitude to all our partners, volunteers, and participants for their unwavering support and active involvement. Together, we are fostering a community that prioritizes health, wellness, and resilience.
