CHAIRMAN'S MESSAGE

I feel proud to share that, FY 2019-20 shall by far stand as the most Jubilant Year for SCSC in its History. SCSC has achieved remarkable growth during this year with in-numerous success stories coupled with new initiatives, sustainable programs, coordination efforts, humanitarian gestures, expansion of SCSC with its new verticals, etc., like never before since its inception.

SCSC added multiple feathers to its cap by initiating many impactful initiatives such as She Safe App, Sanghamitra, SAFE, Hackathon, Walkathon, Road safety & Traffic Management Conclave, Radiant Hyderabad, Virtual Awareness sessions on Women Safety, Road Safety & Security Personnel & digital Platform for Plasma donation etc., SCSC became much stronger by sustaining all its ongoing initiatives such as Margadarshak, Traffic Volunteering, Project Safe Stay, Tactical Trainings, She Shuttles, etc to emerge as a leading collaborative body for the Industry in particular & Society at large.

During Covid Pandemic, it was realised that there is a need to have such a connect with other sectors and hence decided to expand its umbrella to Pharma, Manufacturing, Infra Developers, Health Care, Hotels-Conventions & Education sectors. Happy to see SCSC being adopted not only in Rachakonda & Hyderabad but also being actively pursued by other States.

It was during Covid Pandemic, SCSC in close collaboration with Cyberabad Police stepped up and rose high to the expectation of various sectors in helping them continue their businesses and enable its employees to WFH. Happy to share that, our City was first to get empowered in the country on this aspect with minimal or no impact to business. All the forums of SCSC have done contributed to make the year most impactful & memorable.

SCSC's Traffic Forum, Women's Forum the first ever organised Road Safety & Traffic Management Conclave has got highest achievement for SCSC in Branding, Role Model, Recognition across the Country, etc., and also the associated events Hackathon and Walkathon also got very good response.

Once again the SCSC Women's Forum has achieved remarkable impact through its programs like Sanghamitra, Women's Conclave, She Safe App, Margadarshak batches, She Safe Walk – Radiant Hyderabad, Virtual Sessions & New Hire Orientation SAFE Safety Security and Cyber Security Forums have also done a very good job by continuing the programs like Tactical Trainings, Security Heads Meet, Cyber Security Conclave, Thought Leaderships, etc., Most important activity of SCSC this year was the mammoth services provided during the Pandemic COVID-19 to the industry not just by IT/ITES, but all Industries and public in general. SCSC stood strongest at this Pandemic and served the Industry by timely coordinating with Government Bodies and the Industry Heads and ensured the Business Continuity. This effort of SCSC seen an elevation of its brand across the World.

I thank the Office Bearers, EC and all the Industry Leaders and our passionate Volunteers who played a vital role to make this year Phenomenal and wish SCSC to grow much bigger for a wider impact to society.

Sri. V C Sajjanar, IPS
Chairman, SCSC
Commissioner of Police, Cyberabad

GENERAL SECRETARY-SCSC

2019-20, A year of highest impact, greater inclusivity, strongest collaboration, bigger growth, amazing brand value – All this was possible due to combined effort of all the office bearers of SCSC under leadership of its Chairman Sri VC Sajjanar Garu.

Three major conclaves – Cyber Security 5.0, Women's Conclave 2.0 & Road Safety & TM Conclave 1.0 within a span of 3 months with participation of over 1000 attendees for each event, speaks about the passion & dedication by team SCSC. With some of the finest initiatives which are unique and first of its kind taken up during the year also earned SCSC a special name.

With onset of Covid Pandemic in early March this year, SCSC being identified as nodal agency along with Cyberabad Police acted as a fulcrum for BCP, enabling WFH for Industry and also a source of information on an hourly basis during peak crisis period.

SCSC through its volunteers and donors coordinated massive relief measures for the needy. It stood as a pillar of support for every situation that emerged from time to time be it issuance of passes, movement of assets, SoPs, issue of hostels, re-open guidelines, bulletins, blood donation, plasma donation etc.

Women's Forum of SCSC continued its programs like Margadarshak by rolling out batch 10 & 11 thereby reaching the overall count to 760, Safe Stay audits, She Safe Walk, launch of She shuttle at Gar Corp & Rachakonda etc. In its new initiatives, Launched Sanghamitra with 160 participants for its first batch, launched SAFE a Safety Awareness program for Employees.

Traffic Forum launched its first Conclave called Road Safety & Traffic Management Conclave 1.0 and Hackathon coupled with Walkathon which attracted huge audience. The short film contest 1.0 had 40+ entries. Similarly, the Cyber Security Forum & Security Forum sustained all its initiatives by engaging the Industry from time to time.

SCSC launched its plasma donation portal to enable donors & donees on one platform which was later adopted by Pune City and Maharashtra Blood Transfusion Council for entire State. SCSC model was adopted by Rachakonda & Hyderabad Commissionerates and happy to share that the same being actively pursued by Chennai & Pune Cities.

Having seen the importance of such a body, other Industry sectors like Pharma, Manufacturing, Infra, Healthcare, Hotels etc have been added to the fold of SCSC thereby expanding the scope of SCSC beyond IT-ITES.

I wish to thank all Forum leads, Vertical leads and all the office bearers in particular and our members at large for tremendous support in making all the success a smooth process during the year.

INDEPENDENT AUDITORS' REPORT

To the Members of

SOCIETY FOR CYBERABAD SECURITY COUNCIL.

Report on the Financial Statements

We have audited the accompanying financial statements of Society for Cyberabad Security Council ("The Society"), which comprise the Balance Sheet as at 31st March, 2020, the income and expenditure account of the society for the year then ended, and summary of significant accounting policies and other explanatory information.

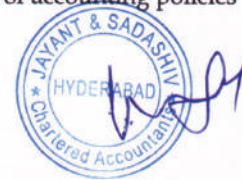

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

We report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of accounts have been kept by the society so far as appears from our examination of such books.
- c) The Balance Sheet and the Income and expenditure account dealt with by this report are in agreement with the books of accounts.
- d) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements give a true and fair view:
 - I. in the case of the Balance Sheet, of the state of affairs of the society as at 31st March 2020; and
 - II. in the case of the Income and Expenditure account, of the excess of expenditure over income for the year ended on that date.

Women's Forum

'AB BAS' event was an initiative of Society for Cyberabad Security Council in association with Art Life Events, a National Event organized in Hyderabad that focuses on women saying Now Enough to being Victimized.

This event aimed at giving out the message that 'Society and women need to stop victimizing the latter. Instead they should fight their unforgiving circumstances and come out winners.' Focus topics were - Women against Rape, Acid Attack and Fight for Rights.

Each category had a guest -

Women against Rape:

Ms. Asha Devi (Nirbhaya's Mother)

Women against Acid attacks:

Ms. Lakshmi Agarwal (Ms. Deepika Padukone is making a biopic on her life)

Women to Fight for Rights:

Ms. Lakshmi Narayan Tripathi (renowned LGBT activist)

The event aims at collectively raising voice against Victimization of Women. The event was a grand success with over 1000 participants including employees, students and the public forum who were inspired by the amazing address words of empowerment by the speakers.

Renowned actor

Mr. Jagapathi Babu also lent his valuable presence on the occasion. Commissioner of Police Mr. V C Sajjanar, IPS., Cyberabad, Mr. Bharani Aroll spoke on the various initiatives of SCSC and shared the safety help line numbers with the audience.

MARGADARSHAK PROGRAM

Margadarshak is a flagship certification in SCSC's endeavor to make Cyberabad a safe place for women. To further strengthen this program, frequent refreshers are conducted to provide support and help when needed through the NGO partners, SHE teams, lawyers etc to refresh and update content and share knowledge from time to time.

60 trained Margadarshaks took part in the Refresher program held at the Cyberabad Commissionerate and shared their experiences. Followed by this, an Orientation program was held at the Rachakonda Commissionerate for existing Margadarshaks as well as interested participants. 75 members attended this program. Following the Orientation Program, Level 2 of the Margadarshak Program- a field trip was facilitated to bring in first hand knowledge of resources and get hand on training in handling cases related to women. The following centers are included in the field visits.

The 8th batch of Margadarshak Training took place on the 24th of August at the Rachakonda Commissionerate where 26 enthusiast trainees were certified after completing the 3 levels of training as prescribed for a Margadarshak.

The 9th batch of Margadarshak training was conducted on the 5th of July hosted by Franklin Templeton in its campus. 91 attendees from 16 organizations viz., Accenture, Aricent, Berkadia services, Cognizant, Franklin Templeton, Hyundai Mobis, Neuland Laboratories, NGA HR, Novartis, Qualcomm, Raytex, Synechron Technologies, TCS, United Technologies, Wipro, Zensar Technologies Ltd

The 9th batch of Margadarshak certification program was held on 26th Sept, 2019 at the Cyberabad Police Commissionerate. 46 Margadarshaks of Cognizant, Franklin Templeton, Wipro, TCS, United Technologies, Berkadia, NGAHR, Hyundai Mobis, Qualcomm and Raytex underwent a 3 months long training program which includes experiential visits to the She teams, Women’s Police Station, Bharosa, Shelter homes and other helpline centers to help women in distress, were certified during this program.

Sri V.C.Sajjanar, IPS., Commissioner of Police, Cyberabad Police Commissionerate presided over the certification program and congratulated Margadarshaks on the successful completion of the program.

Till March 2020, 9 batches consisting of 500+ Margadarshaks were trained from 75 organizations.

PROJECT SAFE STAY

The Project Safe Stay Phase1 Audit was conducted in 4 major areas of Madhapur viz., behind Madhapur P.S, Ayyappa society road, near Image hospitals, 100 ft road and Gowlidoddi in Gachibowli. A total of 117 hostels were audited on the parameters of safety & security guidelines.

Phase 2 audit was held in July 2019 covering Gachibowli and Raidurgam.

WOMEN SAFETY SESSIONS

Women Safety Session was organized at Deloitte Campus with more than 200 attendees. Ms. Swati Lakra, IPS., shared the dais and interacted with the audience on Safety initiatives taken up for women in Telangana.

A self-defense session was organized for 150 female personnel of TCS who learnt the basics of martial arts to respond and act during an immediate panicky situation when faced alone.

Keeping in view of the day to day pressures over work and domestic obligations, a wellness session was organized for Margadarshaks, Traffic Volunteers and Police Personnel to unwind themselves in a yogic and scientific way to improve one’s mental well-being and overall health. The session was conducted by Dr. Saravanan, a wellness coach and was attended by 200 members.

POSH MEETING

Society for Cyberabad Security Council (SCSC) partnered with US consulate to have an open dialogue with SCSC members and IT employees across Cyberabad on creating respectful workplaces, creating a safe and secure environment for women at workplace. This session helped in understanding the practices of the civil rights act of 1964 and the POSH act of 2013.

Commissioner of Police, Mr. Sajjanar, IPS., Cyberabad presided over and called on the different initiatives taken by SCSC on this front and urged organizations to come forward with formation of ICC committees and strong mechanisms to deal with complaints related to workplace harassment.

Ms. Merri Hanson, Director, Peninsula Mediation & ADR, Williamsburg, Virginia who is a principle mediator, trainer, conflict coach and organizational consultant and the director of Peninsula Mediation & ADR gave a keynote address on Seismic shift in society and the workplace, beginning of the Gender equal protection under law which emerged in the United States in Civil Rights Act of 1964, and comparative laws in India for workplace harassment.

- India's female labor force participation rate was 27% for women versus 96% for men 2015 (World Bank Database)
- The global economy would grow by approximately \$28 trillion by 2025 IF women participated in the economy to the same degree as men (Power of Purity, MGI, 2015)
- The participants opined that, these kinds of meetings be organized regularly so that it will make more impact on the Society.

1st Anniversary of Cyberabad Bharosa Centre

Cyberabad Police celebrated 1st year anniversary of BHAROSA Center located at District Area Hospital, Kondapur run by Cyberabad police.

On 15th October 2018, Sri V.C Sajjanar, IPS, Commissioner of Police, Cyberabad has inaugurated BHAROSA Center at District Area Hospital Kondapur.

The re-united families along with the police officers inaugurated the program by watering a growing plant symbolizing growth of a Happy Family. Smt C.Anasuya, Dy. Commissioner of Police, Women & Child Safety Wing, Cyberabad, spoke about the inception and objectives of Bharosa, Kondapur and thanked the NGO's, Alcoholism and drug de-addiction center in Hyderabad and SCSC Margadarshaks.

Sri V.C.Sajjanar, IPS, Commissioner of Police, Cyberabad congratulated the Bharosa team which has resolved about 350 cases related to marital disputes and thanked Alcoholic Anonymous - a drug de-addiction center and other support Centers for partnering with Bharosa to bring families together. He appreciated and thanked SCSC for the extended support for Bharosa, 6 She Shuttles, Margadarshak Program, ICC workshops and creating awareness on women's safety for about 3.5 working women in the IT and adjunct areas. He felicitated and congratulated the re-united couples through Bharosa Family & counselling center.

SCSC SHE Night Walk – Radiant Hyderabad

As part of SCSC's on going initiatives towards creating a very safe, secure and progressive ecosystem for employees of Cyberabad, especially women, the SCSC Women's Forum is happy to announce the launch of its latest initiative around the theme of creating a safer neighborhood where women can feel safe to move around during late hours. The initiative has been christened as RADIANT HYDERABAD and is being launched with a SHE Safe Night Walk at 7.30pm on Saturday, 8th February 2020 at Gachibowli Stadium.

The Walk has being conceived as a Night Walk symbolizing that Cyberabad is a safe place to walk around even during late hours and will be aimed at involving employees, their family members and citizens in general.

Mr. V.C.Sajjanar, IPS, Commissioner of Police, Cyberabad & Chairman, Ms. Anasuya, DCP Woman & Child Safety & SHE Teams & Convener Women's Forum; Bharani Aroll, Vice Chairman, Mr. Krishna Yedula, General Secretary, SCSC; Ms. Pratyusha Sharma, Leader Women's Forum & Jt. Secretary, SCSC and guests Swati Lakra, Telangana Police, Pullela Gopichand, P.V Sindhu, Ms. Isha Rebba, Padmashri Dr. Manjula Anagani lead the successful SHE Night Walk. The event brought to get her several Senior Police Officers, Industry Leaders and Celebrities, employees joining in great numbers to more than 1500 in participation.

SCSC Annual Women's Conclave 2.0

Safety and Security of women is at oppriority for SCSC. Feeling safe and secure is a basic need and only when this need is satisfied can we think of higher needs such as empowerment. There have been meticulous and persistent efforts towards this cause by the collaborative effort of the Police and industry. The conclave is to commemorate the focused work through multiple intellectual discussions. The day flowed through the three most important aspects that empower women— RESPECT- REACH—RISE.

RESPECT: Enabling conducive environment for women at the Workplace. Uniqueness in Gender diversity within the org.

REACH: Stringent Safety & Security measures/policies/practices. Aiding facilities for women at workplace

RISE: Development, Progression, Mentoring opportunities for Women
1200 participants including few police officials from across Telangana & other states participated in it.

Dr. Tessy Thomas, Director General of Aeronautical Systems, DRDO was the Chief Guest and inaugurated the conclave.

Mr. Jayesh Ranjan, Principal Secretary; Dr. Seema Rao, Women Commando Trainer; Virali Modi, Disabled Rights Activist & motivational speaker; Ms. Dhanya Rajendran, Editor, News minute; SS Rajamouli, the Bahubali fame Director; Dr. R.S. Praveen Kumar, Secretary, TSWREIS; Dr. Ranjana Kumari, MD, Centre for Social Research; Ms. Shailee Basnet, Mountaineer; Sunitha Krishnan, Social Activist; Meghana Gundlapalli, Rhythmic Gymnast; Sailaja Kiran, MD, Margadarsi Chit Funds, Ms. Madhuri Duggirala, Sr. Director, Scaled Services, Google, Prashanth Nadella, Vice President & Centre Head, Cognizant Hyderabad; Aparjita Acharya, Law Student, Chinmayi Sriprada, Sai Pallavi, actress, Rashmika Mandanna, Jhansi, Convenor, Voice of Women, Padmapriya Chilakamarthi, Harini, Deepa Kiran; among many others spoke at the Conclave.

Mr. V. C. Sajjanar, IPS, Commissioner of Police, Cyberabad & Chairman, Ms. Anasuya, DCP Woman & Child Safety & SHE Teams & Convener Women's Forum; Bharani Aroll, Vice Chairman, Mr. Krishna Yedula, General Secretary, SCSC; Ms. Pratyusha Sharma, Leader-Women's Forum & Jt. Secretary, SCSC and others lead the successful Conclave. A video message exclusively for SCSC from Anand Mahindra was screened, who explained how enforcement ensures empowerment.

SHE SAFE APP

was unveiled at the Conclave. Bharani Aroll, Vice Chairman of SCSC introduced Shalini, Sripradha, Sumana Sunkara, Amit Mulay, Pallav and Mamta Vegunta who have contributed for the development of the App. The App is the brainchild of Bharani Aroll, and he explained the importance of the App which brings the Margadarshaks and women looking out for help come together along with features of a Hawk Eye Connect, an SOS button, safety tips for women and a plethora of information needed for a women on a daily basis.

Amid the COVID-19 pandemic lockdown situation, Cyberabad Police is closely monitoring domestic violence cases reported in the Cyberabad limits, headed by Smt C. Anasuya, Deputy Commissioner of Police, Task Force I/c Women and Children Safety Wing, Cyberabad. A dedicated team from the Women and Children Safety Wing, Cyberabad has been assigned for collecting data/facts of all the cases reported since 22 March 2020 through DIAL:100 and WhatsApp.

The team approaches all of the complainants telephonically to ascertain inputs/facts; if the complaint is not resolved the case is assigned or taken up by the concerned SHE Team in-charge and necessary action is initiated. Counselling is conducted telephonically based on the case by the Counsellors of Bharosa Centre, Cyberabad.

Cyberabad Police assures full support to all women facing domestic violence, stalking or sexual harassment. They are requested to report immediately through any of the following means:

dial100 or 9490617261;
send complaint through WhatsApp number 9490617444;
Contact Bharosa Centre on 9490617261
and Cyber Crime on 9490617310 | 04027854031;
or e-mail us on sheteam.cyberabad@gmail.com

Traffic Forum

Traffic Volunteer Interaction and Felicitation

Traffic Volunteer contributions are making a huge difference to Road Safety with visible participation of corporate employees and citizens to ease the commute of the vehicles in the IT Corridor. To enrich the skills of volunteers, SCSC has constantly been having interaction meetings and collecting feedback from the volunteering as well as equipping them with BLS & First Aid training to reach out to victims on road. We are proud to see the human interventions where the traffic volunteers have rescued and attended to victims of strokes and accidents to safety.

Traffic Volunteer Orientation

Traffic Training Institute (TTI) and SCSC had conducted a training session to newly registered traffic volunteers. Around 30 Volunteers have acquired knowledge about Basic Life Support, First aid, and road safety training.

Special thanks to Venkat Reddy, Sub-inspector, and Naresh Kumar, Head constable from TTI, Girdhar, Security Head from Care Hospital and all the volunteers who were part of the training session.

Swaraksha-Tech Mahindra

Secretary, SCSC Sri Krishna Yedula, DCP Traffic, Mr. S.M Vijay Kumar, IPS and Ms. Pratyusha Sharma, Joint Secretary of Women's Forum had created awareness about Road safety and Women's safety among the employees of Tech Mahindra.

The session was quite interactive with employees clarifying their queries regarding the myths revolving around traffic and women's safety which were clarified by the Conveners of Traffic forum and leader of women's forum.

Basic Life Support (BLS) Training:

Traffic Training Institute (TTI) and Society for Cyberabad Security Council had conducted a training session to 10th and 11th Batch of traffic volunteers on 20th July and 3rd August 2019 morning at Care Hospital, Gachibowli, Cyberabad. Around 30 Volunteers from various IT Companies have participated in each session to acquire knowledge about Basic Life Support (BLS), First aid, and road safety measures. A practical demonstration of the whole procedure of rescue is shown to the volunteers to have a better experience at the time of volunteering. Shyam Sundar Reddy, SI TTI and 20 police officials have attended the BLS Training. These sessions give great exposure to volunteers and make them confident to serve better to society.

Forum Meet:

SCSC Traffic Forum's core team meeting was organized on 22. July. 2019 at Cyberabad Police Commissionerate. The core team volunteers who represent various IT companies and other organizations were nominated for the 'Planning Team'. The 'Traffic Forum planning team' was initiated by Traffic Forum leader, Mr. Venkat Tankasala. The planning team is divided into 4 significant verticals with 18 volunteers from the core team- i) Corporate outreach ii) Traffic volunteer coordinators iii) Communication iv) Redressal and Feedback.

First time- Traffic Volunteers:

While the bustling traffic is bothering citizens, SCSC Traffic Forum volunteer team is splendidly regulating the traffic at the main junctions in the peak hours of the day. Our Volunteers contribute their hours in resolving the traffic woes. Fifteen volunteers from Freyr have volunteered for the very first time in resolving the traffic, at Cyber Towers Junction on the 30th. July. 2019. Twenty volunteers from Synechron have volunteered at Biodiversity on 31. July. 2019 from 10:30am - 12:30pm.

Survey:

In order to study the patterns of traffic for a comprehensive solution, one of the initiatives taken up by Cyberabad Traffic Police is to identify the density of traffic Flow to various clusters in the IT corridor from across the city during peak hours. SCSC in association with Cyberabad Traffic Police designed an Online Survey Link to be shared with all employees of various organizations. The Online Survey intends to get the details of the Route, Timings, Mode of travel, etc. That is used by the IT / ITES Employees.

The data captured by this survey is intended to help Cyberabad Traffic to prepare a detailed Comprehensive Traffic Management Solution with Alternate Routes, improving public transport in heavy density routes.

All Cluster Head meet:

On 9th July 2019, all cluster heads meeting was arranged to create a pyramid for emergency communication flow in the presence of Mr. Krishna Yedula, Secretary, SCSC, Sri. Vijay Kumar, IPS, DCP, Traffic and Mr. Venkat Tankasala, Jt. Secretary – Traffic Forum, SCSC Staggered Timings, Bulk SMS, Alternate Route Maps, App and Social Media, etc.,

Society for Cyberabad Security Council in collaboration with Cyberabad Police has conducted a 30 hour non-stop Hackathon on Road Safety and Traffic Management on the 19th and 20th of October, 2019. The Hackathon started at 11.00 AM on 19th Oct and will ended at 5.00 PM on 20th October. About 30 teams comprising of 120 members have participated. Teams present were from diverse backgrounds viz. IT Professionals, IT companies, Start ups, Traffic volunteers, NGOs, and students from Hyderabad, Pune, Chandigarh, Bengaluru and other cities.

About the Hackathon: With the phenomenal growth in the IT Corridor, Traffic Management and allied issues pose a significant challenge with the existing resources. The Hackathon is designed to tap young minds to explore creative ideas for adoptable solutions for improving Road Safety and Traffic Management.

Specific challenges have been identified and listed under four major themes – Road Infra, Commuters Behavior, Transportation and Integrated Traffic Management (coordination between the Govt. Stake Holders). Sri V C Sajjanar, IPS, Cyberabad Commissioner of Police, Sri. Anil Kumar, IPS, Adl. Commissioner of Police – Traffic, Hyderabad, Sri S M Vijay Kumar, IPS, Dy. Commissioner of Police – Traffic, Cyberabad, Mr. Krishna Yedula – General Secretary, SCSC, Mr. Venkat Tankasala – Joint Secretary (Traffic Forum), SCSC, Mr. Bharani Kumar Aroll, Vice Chairman, and other jury members from

NASSCOM & HYSEA inspected and project in detail and conversed with the team members on the practicality of implementation of the ideas in the Indian set up. The Cyberabad Traffic Police were present during the entire program to extend the necessary support to the teams in providing relevant traffic data, technology support etc to complete their project.

Winners in Startup Category-1:

Scientist Technologies, a startup based out of Bengaluru.

Founder Name: Anurag

Product name: URBAN.AI

Started company in 2016.

Working on this solution from November 2018.

Winners in Startup Category-2:

Team from JNTU Hyderabad

Product Name: Solution provided for Unified platform to crowd source problems and notify relevant departments for solution.

Winners in Special Category-1:

Sai Sri and Sai kartikeya, students of 6th Standard, DPS, Nadargul

Product Name: Interactive game for teaching traffic rules to Children

Winners in Special Category-2:

Aditya from CYIENT and a SCSC Traffic Volunteer

Product Name: Interactive and gaming solutions for counseling people/traffic violators to understand traffic rules.

Above teams were adjudged the best teams besides a few other teams which received encouragement and support and will be mentored by the Cyberabad Police.

Walkathon

Society for Cyberabad Security Council in collaboration with Cyberabad Police has conducted a Walkathon on Road Safety and Traffic awareness. About 1500 members participated in this Walk from Gachibowli Stadium-Gachibowli Junction – Gachibowli Stadium.

Sri V C Sajjanar, IPS, Cyberabad Commissioner of Police, Mr. Bharani Kumar Aroll, Vice Chairman, Mr. Krishna Yedula – General Secretary, SCSC, Mr. Vijay Kumar, IPS, DCP – Traffic, Mr. Venkat Tankasala – Joint Secretary (Traffic Forum), SCSC, Mr. Chandrasekhar, ACP – Traffic were present. Mr. Vijay Kumar, Dy. Commissioner of Police, Cyberabad administered an oath to the walkers that they would abide by traffic rules and be responsible citizens. They then cheered the walkers.

Despite the lockdown, the Traffic Volunteers continued to energetic & contributing in some form or the other in relief humanitarian works assisting the Covid Control Room. A few volunteers assisted the police on the roads in traffic volunteering and creating awareness to straying citizens on the roads oblivious of the lockdown.

A few others assisted the Covid Control Room in issuance of vehicle passes planning and organizing while the rest were on the field assisting the police and SCSC team in distributing cooked food and groceries to the under privileged and the needy while maintaining social distancing and wearing of masks and gloves.

A few were part of the blood donation camp in association with Cyberabad Police, SCSC and the Red Cross. A few still went ahead visiting the Amrabad Reserve Forest in the Nallamala Hills with the Cyberabad Police, SCSC and Robinhood teams with necessary rations and medical equipment to the poor tribal population. With the soGer side of the police which is much talked about, volunteers have come forward to assist SCSC and the Cyberabad Police in feeding strays and the voiceless beings.

Road Safety and Traffic Management Conclave 1.0

The Cyberabad area has witnessed rapid growth with the concentration of IT sector, hospitality and other industries. Today, more vehicles are on the road, leading to greater traffic congestion and environmental pollution. The social costs of accidents are high, and this underscored the need for ensuring road safety and better traffic management with multi-pronged and innovative approaches.

The Road Safety and Traffic Management Conclave invited all concerned stakeholders to deliberate upon various issues in road safety and traffic management. Researchers, innovators, and technology start-ups showcased the possibilities of solving these issues with the use of technology. Experts, field officers, urban planners took part in the panel discussions focusing on infrastructure, behavior and education, enforcement, and sustainable solutions. Traffic police from different cities share their good practices during the event. Traffic police officials who contributed immensely to Road Safety and Traffic Management were recognized and honored.

Safety and Security Forum

EMERGENCY RESPONSE TEAM

Safety and Security forum had conducted an Emergency response team (ERT) workshop for 30+ staffers of Hyatt, Gachibowli. Major subjects covered were safety measures to encounter fire mishap, bomb detection, vehicle check and personal security check. B.V Dinakar gave an orientation about the agenda of the ERT workshop to 30+ staffers. Convener of Safety and Security forum. A. Venkateshwar Rao, IPS DCP, L&O had discussed about the importance of awareness on safety and security measures.

Security Head meeting

Society for Cyberabad Security Council had organized a 'Security heads meeting', under the Security Forum and invited Security Heads of the Cyberabad IT Corridor under the Chairmanship of Cyberabad Police Commissioner Sri V CSajjanar. Around 150+ Security Heads and representatives from 70 organizations attended this meet. The Chairman mentioned that "The Police team will train nominated security guards with 'Tactics and Intelligence' so that they can report back to the Police in case of any criminal activity.

He also informed that in one and half years, 85,000 cameras were successfully installed and there is a further requirement of 1,15,000 cameras for the Cyberabad zone. All donations towards 'Nigha Netram' will be exempted under 80G Certificate. He also forewarned the organizations to avoid the spread of MLM Fraud. The program concluded with CP Sir felicitating the Tactical Trained Security Guards with certificates and badges along with his team and SCSC Team. All members present had an interaction with the forum coordinators.

TACTICAL TRAINING WORKSHOP

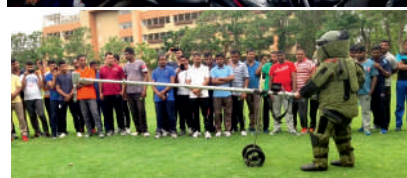

SCSC, Safety and Security forum had conducted a four-day Tactical Training Workshop for 95+ Marshalls from 19 Organizations.

Day 1: Security heads were introduced to the agenda on Tactical training by Mr. Bharani Kumar Aroll. The workshop started with a brief explanation about the inspection procedure of two-wheeler and four-wheeler automobiles.

Day 2: A brief session about disarming of knife, pistol and stick was organized. These activities gave a hands-on experience to the security marshals who joined the session. Later, the bomb squad demonstrated the process of defusing the bomb.

Day 3: A brief session about firefighting skills was conducted where a practical demonstration of the whole procedure was explained. This activity kept the members engaged as they passed to comprehend the fundamentals of it. Later, Fire evacuation drill was organized for the Security marshals where a demonstration on the Fire Evacuation drill was conducted by the Fire Brigade Team

Day 4: An awareness session on Basic Life Support and Women's safety was organized by Maxcure Hospitals and She Teams. The four-day workshop has come to an end when all the security marshals were felicitated with the certificates for the workshop by Convener, SCSC Mr. Venkateshwar Rao, IPS, DCP, L&O and the forum leader Mr. B.V. Dinakar, Jt. Secretary, Safety and Security Forum.

QRT Vehicle Inauguration

SCSC had donated 'Quick response team' (QRT) vehicle to Cyberabad police ensuring to strengthen the security of citizens by reducing the crime rate. The QRT vehicle is active in the vicinities of IT Corridor exclusively for the safety of citizens.

AV Vehicle

SCSC Audio-Video vehicle goes to various locations to spread awareness about traffic safety, cyber crime and harassment towards women. Around 8,000 citizens were part of the awareness session.

A Weapon display was arranged for enhancing knowledge on artillery for the Security personnel. They were also briefed on the proper usage of weapons on duty. QRT Patrol Vehicles were replaced by new Scorpio vehicles for smooth patrol in the IT Corridor.

Children's Summer camp

Rachakonda Police & SCSC had organized a 'two-day' summer camp exclusively for children aged between 6 to 18 to create awareness about traffic and road safety, cybercrime, safe touch and child sexual harassment. More than 1,200 children had attended this productive summer camp.

Security Heads Meeting of Police Mitra in November As part of the invitations called out for the Police Mitra Program, 150 applications were received and a pre-launch was conducted (Ref. last issue of Cyber Shield, Vol.24) They can be used effectively by the police to report of following broad areas:

- 1) Unusual activities or incidents.
- 2) Boot legging activities.
- 3) Eve-teasing cases (either in Bus stops junctions at their places of stay etc.).
- 4) Unsocial elements using the locations as hide outs.

Pre-launch meet of Police Mitra- Received 150 nominations

Nighanetram

The Cyberabad Police has taken up 'Nighanetram', a special drive for installation of community surveillance cameras along with the SCSC. In response to this, a few IT organizations, volunteers and individuals have donated approximately Rs. 1.23 cr to SCSC towards installation of new cameras and maintenance of the existing CCTV network under its Corporate Social Responsibility initiatives.

Police Commissioner Sri. VC Sajjanar, IPS said, "CCTV cameras help in solving cases in the shortest time. In just 13 months, we have installed more than 1.5 lac. cameras and we need one lakh more to bring the entire Cyberabad under Nighanetram."

Mr. Krishna Yedula, General Secretary of SCSC, thanked the organizations and has requested the corporates to come forward and take part in Community Safety and Security and helping the police to establish a safe and secure city" CGI has partnered with SCSC in contributing 25.8 Lakh and to maintain 150 CCTV surveillance cameras in Cyberabad, a technology hub in Hyderabad, India which houses IT companies. Synchrony has donated CSR Funds of Rs.50 lakhs which has come as a major contribution a part from other companies. The focus of the project is to promote safety of women through surveillance IT infrastructure and drive awareness on personal safety and security. It also supports State government 'so bjective of setting up an Integrated Command Control Centre connected to acity wide CCTV surveillance system.

Community CCTV Installations

SCSC has installed a total of 27 IPCCTV Cameras at Cyberabad Police Commissionerate Limits :

CCTV Camera details:

Fixed Camera: 9

PTZ Cameras: 18

Total : 27

Installation of IPCCTV Cameras at Pet Basheerabad Police Station limits Fixed Camera: 80

Cyber Security Forum

As part of the ongoing Thought Leadership Series the SCSC Cyber Security Forum organized a workshop on 'Trends in Cyber Crimes' attended by cyber professionals and enthusiasts who represented 60+ organizations.

Distinguished speakers were:

Mr. Rajesh Kumar, DIG- Intelligence, Ms. Rohini Priyadarshini, DCP Crimes, Cyberabad, Mr. Sriram Birudavolu, CEO, CoE, DSCI, Mr. Abhishek Kumar, Director, Threat Defense Engineering, Microsoft, Mr. Ashok Ram Kumar, Head- Litigation at Wordict IP and Mr. Harinath- ACP Crimes.

The speakers shared their knowledge on digital signatures, statistics on cyber-crimes in the city, country and global incidents, offences and violations that take place at an individual, organizational and society level etc. A victim of online matrimonial frauds shared her experience on the process of how she was duped of a large sum of money which was later deciphered as a Nigerian fraud.

Special mention to Mr. Bharani Kumar Aroll who has taken special interest to promote Cyber Security awareness in the ecosystem; Mr. Rajesh Kumar IPS, DIG-Intelligence who gave deep insights on Cyber Crimes and the steps taken by the Telangana Govt in building up collaborations in effective implementation of CERT; and to all the participants who very actively participated in the discussions and had interesting questions to the Speakers.

As a part of SCSC, we create a lot of awareness sessions in various locations about Cyber security. Citizens can always reach out to Cyber Crime Police Station, Cyberabad in case of any similar situation.

Brief facts of the case are that on 10.08.2019 received a complaint from one of the Sr Branch Manager of a Nationalized Bank wherein he stated that on 09.08.2019 an amount of Rs.8,20,000/- was transferred into ICICI Bank account through RTGS by debiting from the Current Account held by one of the leading automobile showroom located in Hyderabad on the telephonic instructions of the person who impersonated himself as the owner of an automobile showroom without receiving cheque. After speaking to the management of the car showroom from which the amount was debited, the staff of the bank realized that the call which they received is a fraudulent call received from a fraudster in the name of the management of car showroom. As such the management of the bank filed a complaint for taking legal action against the fraudster for cheating their bank to the tune of Rs.8,20,000/-

Modus Operandi of the Accused:

The accused A-1 is the master mind behind this crime, he collects the details of car showrooms from net and make enquiries about high end cars by calling their sales team by posing himself from a big company and shows interest in buying cars. After which he is collecting all the details from the sales team of car showrooms about their showroom owner name, bank name, on whose name bank account held, bank account number of car showroom etc. In regular course of their procedure, the car showroom sales teams are sending a cancelled cheque photograph in whats app to the buyers/fraudster in good faith by believing him as genuine customer.

The A-1 who collects the details of the management of car showroom and its bank account details call the concerned bank manager where the bank account of car showrooms is maintained and introduce himself as the owner of the car showroom. Further he informs the bank staff and made them to believe that their showroom is intending to deposit huge amount as Fixed Deposits in their bank. Once the bank staff is satisfied with the information furnished by the A-1/fraudster over phone, A-1 is instructing the concerned bank staff to transfer the amounts from car showroom account into the bank accounts maintained by him by saying that he is sending original cheque to the bank for debiting the amount.

Believing the words of A-1 the bank staff is transferring the amounts into the bank account provided by him in good faith without receiving cheque.

The Cyber Crime Police, Cyberabad arrested four member fraudster gang i.e., three Nigerians and a lady from Nagaland for committing fraud in the name of arranging job in abroad.

On suspicion, the Cyber Crime Police of Cyberabad Commissionerate enquired a Nigerian national on 26.08.2019 about his involvement in cyber crimes, but he was not involved in any present offences and he could not satisfactorily answer regarding his presence in Hyderabad, purpose of visit to India, the type of visa on which he travelled to India etc. He disclosed his name as Mr Valentine Kevin, age 40 years, N/o. Logos, Nigeria and came to India in the year 2014 on medical attendant visa and staying in India illegally after the expiry of the visa and assisting his counter parts in Nigeria who are committing Cyber crimes.

Since the said Mr Valentine Kevin of Nigeria is staying in India illegally and earlier participated in Cyber crimes along with Nigerian counterparts, he was deported to his country on 20.09.2019 by obtaining orders from the office of Bureau of Immigration, Hyderabad to prevent him further commission of Cyber Crime offences by him in India.

Cyber Security Conclave 5.0 Updates

We welcome you to the 5th SCSC Cyber Security Conclave to Explore Opportunities where more than 500 delegate representing 200 plus IT co sand interact with Speakers across the World.

India is witnessing a significant economical and technological transformation due to growing business opportunities in a number of industry domains such as Banking & Financial Services (BFS), Retail, Manufacturing, Pharma, Healthcare, Travel & Hospitality and many others. With the increasing digital foot print in every sphere of life, either of the enterprise or the enduser, the growing threat in the cyber space is a reality that is the concern of the entire society. Today, cyber crime is a threat many organizations are beginning to recognize as one of the key concerns for uninterrupted business. Thus comes the need for an efficient cyber security system. While the society at large including the government, industry and academia a like are contributing to the acumen in contending with this menace and arriving at practical solutions. The Telangana government has been playing a keyrole in the practice and adherence of Cyber security measures in the state. This event is fifth in a row after 4 successful years of Cyber Security Conclave and Cyber Safety Adherence Awards—where in the best organizations with best practices get recognized and rewarded.

This year we would have an interesting discussion on Quantum computing Vs Cyber Security AI Solutions for Resilience

- IOT Security
- Engineering Security in Cloud computing
- Cyber Forensics
- Global and India Cyber laws and compliance
- Best practices

Society for Cyberabad Security Council (SCSC) in association with Cyberabad Police has conducted a one day Conclaveon “Cyber Security Conclave 5.0— the Next Gen Threats and Solutions”on 23.01.2020 at HICC from 9.00AM to 5.30PM
SCSC has been organizing the Cyber Security Conclave continuously for the last five years and the participation from the IT & ITES, Police and Public in general is increasing year after year and well appreciated by one and all.

Enthusiastic participants included the Cyber Security Head , IT Employees, Police Officers from across India, Students, Public in General, etc., Police officials from across Telangana & other states participated in the Conclave.

Chief Guest Dr. Sanjay Bahl-Director General, CERT-IN, New Delhi, was the Chief Guest, Mr. RajivKumar, MDIDC Microsoft, Key note speaker Dr. Sudhir Kamath, DG, Cyber Systems, DRDO, New Delhi, Sri. VC Sajjanar, IPS, Cyberabad Commissioner of Police, Mr. Bharani Kumar Aroll, Mr. Krishna Yedula, Microsoft, Deloitte, IBM, Broadridge, CISCO, Cloud4C— ControlS, Infosys, etc., The event was started with the Lamp Lighting by the Chief Guest and other Dignitaries followed by welcome note and context setting by Mr. Bharani Kumar Aroll, Vice Chairman SCSC, in his welcome note said that the digital transformation happening all across India is changing the way businesses operate efficiently and effectively and also brings risks from cyber threats. He presented the statistics on cyber attacks and also talked about the threat land scape and the promising future of Cyber security. He also said that the people should be aware that any crime related to Cyber Crimes should be reported to CERT. In most of the Cyber Crimes Women are getting effected more which needs to be addressed.

Mr. Krishna Yedula, General Secretary, SCSC has briefed about the miles stone achievements of SCSC and the Impact they have created since its inception in the year 2006. He thanked all the participants who were more than 600 for over whelming response. Sri. VC Sajjanar, IPS, Cyberabad Police Commissioner said now days the complaints on Cyber Crimes are more than the general nature of reported crimes. The complaints these days are more related to Social Media, Online Financial offences, Data Theft, etc., the loss due to Cyber Crimes is immense and posing tough challenges to the Police. Kids are getting addicted to smart phones and getting alot of health and psychological issues. To help the people in general affected by the Cyber Crimes Police believes, 'Prevention is better than treatment'. As a result, Cyber Crime awareness sessions and trainings are regularly imparted to the Police personnel and the general public. He has appreciated SCSC for organizing the Cyber Security Conclave for the last five years successfully. The Conclave not only helps the Police to know about the latest threats and solutions but also the Public in general. Mr. Rajiv Kumar, MDIDC Microsoft, stated that, Microsoft is always been doing R&D to counter the Cyber attacks and inventing news of aware and solutions to ensure the safety and security for the public and their data.

Dr. Sudhir Kamath, DG, Cyber Systems, DRDO, New Delhi addressing the participants presented about the current trends on the Threat land scape, Critical infrastructure security, Mitigation plans to Prevent cyber attacks, Use of Innovative solutions and cyber intelligence to create a strong cyber ecosystem.

Dr. Sanjay Bahl, Director General, CERT -IN addressing the participants said as the current world is moving towards the Automation and digital world the Cyber Crimes and Threats are also increasing and posing challenges in the equal ratio. He presented CERT-IN organization's priorities that focused on collecting, analyzing and disseminating Cyber threat intelligence to beneficial stake holders who are potentially impacted by these attacks.

The Police Track was well participated by the Police across India, Jammu & Kashmir to Kanyakumari Telangana, Andhra Pradesh, Karnataka, Tamilnadu, Kerala, Jammu and Kashmir, Jharkand, Madhya Pradesh, West Bengal, etc., The Police Track spoke about the recent Trends in Cyber Attacks (Special focus on Ransomware attacks on banking & Fintech systems) by Mr. Balsingh Rajput, SP, Cyber, Maharashtra.

Cyber Crime Scene Management (Handling of crime scene & incident handling on cyber attacks as first responder), Recent Trends in Cyber Crimes & Investigation using OSINT Techniques - Special Focus on (Social Media Crimes & Cyber Frauds) (Practice Session), Understanding of Deep & Dark net Crimes and Dark net Monitoring Techniques and Evidence Collection Procedure (Special Focus on Crypto Forensics & Organized Fraud Crimes), Handling Intermediaries & Nodal Agencies (Special Focus on MLAT & LOR Procedures).

The topics for the main stream for IT and Public in general included:

Next Frontier of Cyber Security, Threat Landscape: Practitioners perspective, Cyber crimes- Trends & Statistics, Case Studies on Cyber Crimes, Panel Discussion on Applying Design Thinking To Solve Cyber Security Challenges, Engineering Trust & Security in Cloud, Cyber Law & Personal Data Privacy by Neeraj Arora, Advocate & Cyber Law Specialist, Panel discussion on Block chain and Crypto impacting Data Security, Securing connected 'things': Top 7 security risk sand good practices to secure connected world, Cyber Forensics, Technology adoption for cyber resilience by GT Venkateshwarlu, MDTSTS.

A Fireside Chat on "Entertainment Industry-Threats & Mitigation" hosted by Pratyusha, Jt. Secretary Women Forum, SCSC with Mr. Shobhu Yarlagadda, Co Founder & CEO, Arka Media Work sand Ms. Supriya Y, CEO Annapurna Studios. The speakers are from various organizations such as Microsoft, Deloitte, State street, Cisco, IBM, IIIT, CYIENT, Broadridge, INFOSYS, Tollywood , Maharashtra Cyber department etc. All the participants from Police, IT Fraternity and public in general have expressed their satisfaction and appreciated SCSC for organizing an extensive and knowledge able event.

TYPES of cyber attacks

Malicious domains

There are a considerable number of registered domains on the Internet that contain the terms: "coronavirus", "corona-virus", "covid19" and "covid-19". While some are legitimate websites, cyber criminals are creating thousands of new sites every day to carry out spam campaigns, phishing, spreading malware or to compromise Command and Control servers.

Malware

Cyber criminals are taking advantage of the wide spread global communications on the corona virus to mask their activities. Malware, spyware and Trojans have been found embedded in interactive corona virus maps and websites. Spam emails are also tricking users into clicking on links which download malware to their computers or mobile devices.

Ransomware

Hospitals, medical centers and public institutions are being targeted by cyber criminals for ransomware attacks – since they are overwhelmed with the health crisis and cannot afford to be locked out of their systems, the criminals believe they are likely to pay the ransom.

The ransomware can enter their systems through emails containing infected links or attachments, compromised employee credentials, or by exploiting a vulnerability in the system.

Recommendations and prevention tips

With an increasing number of countries encouraging citizens to stay, learn or work from home, now is the moment to focus on cyber security, whether it's for your self or your workplace. Keep your information safe Backup all your important files, and store them independently from your system (e.g. in the cloud, on an external drive); Always verify you are on a company's legitimate website before entering login details or sensitive information.

- Check your Software and Systems
 - Ensure you have the latest anti virus software installed on your computer and mobile devices;
 - Secure email gate ways to thwart threats via spam;
 - Strengthen your home network;
 - Secure system administrations vulnerabilities that attackers could abuse;
 - Disable third party or out dated components that could be used a sentry points;
 - Download mobile applications or any other software from trusted platforms only;
 - Perform regular health scans on your computers or mobile devices.
- Be vigilant
- Talk to your family—including children—about how to stay safe online;
 - Regularly check and update the privacy settings on your social media accounts;
 - Update your passwords and ensure they strong (a mix of uppercase, lowercase, numbers and special characters);
 - Do not click on links or open attachments in emails which you were not expecting to receive, or come from an unknown sender. As always, if you believe you are the victim of a crime, alert your local police.

COVID-19 Activities

It's been an unprecedented situation that has gripped the world and our lives have been thrown off guard due to the prevailing Covid Pandemic. During this challenging times, our Govt., Doctors, Police administration and all those good Samaritans have braved the apocalypse and are proving that come what may, we stand as one, we stand as a wall to ensure as a nation, we will overcome this great calamity. While the future is not going to be the same again, it is certainly going to be exciting with new evolving opportunities, ideas and better preparedness. In this context, as we move inch by inch towards total recovery, there has been some thoughtful ideas which could make the organizations limp back to normalcy with confidence.

Maintain two meter distance at all places– canteens, corridors, officerooms, toilets, etc., Always carry additional 1-2 masks Clothes should cover as much of the body as possible. (Pants & full sleeves) If you are using a vehicle to travel to office, then first disinfect the door/steering/side mirrors and then start your vehicle Do not use saliva while flipping the book/ file/ documents Do not handover your phone to anyone nor touch anyone's phone Use digital currency; avoid taking/paying cash currency All workplaces shall have adequate arrangements for temperature screening provide sanitizers at convenient places such as office main entry, pantry/ canteen areas, water/coffee work places shall have a gap of one hour between shifts and will stagger the lunch breaks of staff, to ensure social distancing.

Encouraged to

a) work from home

- o Persons above 65 years of age
- o Persons with co-morbidities
- o Parents of children below the age of 5
- o Pregnant Women

b) Use of digital modes for internal /external meetings

c) Use of Aarogya Setu Application for all employees/contract workers/ support staff Medical insurance for the workers to be made mandatory.

There should be strict ban on gutka, tobacco, etc. and spitting should be strictly prohibited There should be total ban on non-essential visitors at sites.

Covid-19 Activities

- Alerts on Covid-19
- Meeting with CEO/Center heads, HR Heads with Health Minister, Mr. Jayesh Ranjan, IT Secretary, Mr. VC Sajjanar, IPS., Commissioner of Police, Cyberabad, General Secretary Mr. Krishna Yedula, Mr. Bharani Aroll and other SCSC dignitaries.

Representations to Government on exemptions for the IT Industry along with HYSEA and Nasscom

- Co ordinating with Advisories on Covid-19

Major Supporting & Relief Activities done

- Coordinating for Issuance of Vehicle passes for essential services
- Facilitation of desktops and equipment to enable employees to work from home
- Creating a Volunteer base for Covid Control Room and service activities
- Supported the Police on Ground with 150 plus Guards
- Supported the Medical Emergency Ambulance Services with the Technicians
- Launched two Disinfection Machines
- Supported with 30 plus drivers for Food Distribution Vehicles
- Food distribution and donor facilitation with the help of organizations & volunteers – 11 lacs plus Meals were distributed
- Distributed Groceries more than 1.35 Lacs to the Migrated, Job less & Home less labor, Orphan and Old age Homes, remote tribal people, etc.,
- Deployment of security personnel at traffic junctions and police stations with the support of Security agencies
- Collaborated with Cyberabad Police for blood donation to Thalassemia patients– 5500 units collected and distributed to five Blood banks
- Aiding a few tribal areas in dire need of rations and medical equipment
- Feeding of stray and voice less animals with food & water
- Updating members on latest info, advisories to the industry for business continuity, continuing to facilitate emergency requirements of the industry
- Logistics and volunteer coordination with the Covid Control Room
- Daily News Bulletin of SCSC on Covid Control Room operations
- Collaborating with different IT bodies in Telangana in a united approach to support the Government in its endeavor to aid the ongoing operations and fiscal costs
