SCSC OVERVIEW

The Society For Cyberabad Security Council (SCSC) has been working in close collaboration with Cyberabad Police Commissionerate to build a safer, more resilient Cyberabad for the past 18 years. As a not-for-profit organization, SCSC has focused on key areas such as Women & Child Safety, Cyber Security, Traffic Safety, and Healthcare, leading impactful initiatives and awareness programs that promote security and trust across the communities.

Driven by a steadfast mission to foster a secure environment and ensure the well-being of all individuals, SCSC envisions a Cyberabad where women and children thrive, cyber spaces are protected, roads are safer, and communities are healthier.

As we bid farewell to 2024, we're proud to reflect on the pivotal events, awareness sessions, and initiatives undertaken by SCSC that have substantially enhanced the safety and security landscape of Cyberabad, making it an even better place to live, work, and do business.
