SCSC Conclave 2025 - "Legacy of Trust – Vision for Tomorrow"

ANNUAL NEWSLETTER
Jan – Dec, 2025

SCSC OVERVIEW

World's only Police - Industry NPO creating safe & secure ecosystem since two decades. Established in 2006, SCSC focuses on safety of Women, Children & Youth, Cyber & Physical Security, Road Safety & Traffic Management and Healthcare. Through tangible impactful initiatives, awareness programs, intervention and policy advocacy SCSC continues to protect citizens, vital installations, thwart sabotages and terror activities - promoting security, trust and well-being across communities.

Dr. M. Ramesh, IPS., assumed charge as **Chairman** of Society for Cyberabad Security Council (SCSC) on 30th December 2025, reaffirming the commitment to collaborative and community-driven safety initiatives.

2025 Recap Highlights

Women Safety Forum:
Conducted **50+** programmes, reaching **10,000+** women and stakeholders *(Pg 3)*

Children & Youth Safety Forum:
Launched this year, the forum focuses on safety education and student-led programmes, reaching **7,000+ students and educators.** *(Pg 4)*

Cyber Security Forum:
Conducted **65+** awareness programmes, empowering **15,500+ citizens** *(Pg 5)*

Road Safety & Traffic Forum:
Road safety awareness and on-ground interventions impacting **55,000+** beneficiaries *(Pg 6)*

Physical Safety Forum:
3 programs impacting **210+** personnel, strengthening rapid-response and physical security readiness. *(Pg 7)*

Healthcare Forum:
Health awareness, screenings, and wellness initiatives benefiting **25,000+** individuals *(Pg 8)*

Let us join hands to make Cyberabad a preferred place to live, work & do business in a safer, more secure and healthier ecosystem.

Ecosystem & Collaborative Problem Solving

- Resolving Traffic issues
- Enhancing Road Safety
- Public Safety Capacity Building
- LE-CISO Councils
- Enhanced Surveillance
- Expanded Police Patrolling
- Opportunity to lead & work on several tangible impactful initiatives & projects
- Volunteering opportunities that makes a difference

Sessions & Training by Experts & LEA

- Women Safety
- Road Safety
- Cyber Safety
- Substance Abuse
- Tactical Training
- Self Defence
- POSH Sessions
- Fire Safety
- Bomb Situations
- Armed Intrusions

Public Private Partnership & Networking

- Access to Expert Security & Safety Advise
- Influence Policy & Decision Making
- Platform to table common safety/security concerns
- Connect with security professionals, law enforcement, industry leaders
- Enhancing Urban Mobility
- Safeguarding children & youths

Few of Our impactful tangible projects & initiatives !

- **SheShuttles :** Free buses to enable safer end mile connectivity for women.
- **Margdarshak & Sanghamitra :** Response & guidance to women in distress.
- **Traffic Marshals :** Paid force-multipliers, road safety response, support to Traffic Police
- **BRCC (Business Resilience Command & Control) :** Crisis Management & Recovery
- **Suraksha Kavach :** Securing children & youth in schools and colleges through safety club.
- **Pravaah :** Symposium of stakeholders to mitigate traffic congestion.
- **Project Patrol :** Equipping with drones & vehicles to enhance response and coverage.
- **Project Nigah :** CCTV maintenance- resource deployment & service-desk digitization.
- **Safe Stay :** Auditing and listing of PGs & Hostels to enable safer accommodation.
- **Law Enforcement CISO Council:** Symposium of CISOs to enable cyber resilience.
- **DilSeY :** Digital Literacy to Secure You, Cyber Safety Awareness Campaign Program.

Safe Stay – Strengthen safety, security, and compliance in hostels.

WOMEN SAFETY FORUM

Jan – Dec, 2025

Safety is not a privilege, it's a right!

The Women Safety Forum of the Society for Cyberabad Security Council (SCSC) continued its proactive mission to enhance safety across educational institutions, workplaces, residential spaces, and public ecosystems. Through awareness sessions, audits, interventions, and strategic collaborations, the forum reached thousands of women and stakeholders—strengthening preparedness, confidence, and community resilience.

Total Awareness & Training Sessions	50+	Women & Stakeholders Reached	10,000+

Sector-wise Outreach

IT & Corporate Sector:
6,000+ women

Healthcare Institutions:
450+ women

Manufacturing, Hospitality & Others:
1,000+ women

Law Enforcement (Women Police Officers):
POSH training across
5 Cyberabad Zones

Educational Institutions:
300+ students

PROJECT SAFE STAY

Safe Stay ensures safe and secure accommodation for women in hostels and PGs across the Cyberabad Commissionerate through comprehensive audits.

A digital Platform comprising audited hostels/PGs listings was launched by **Hon'ble Minister for IT & Industries Shri D. Sridhar Babu** - during SCSC Conclave 2025, the initiative reinforces SCSC's commitment to working professionals under **Telangana Rising Vision–2047**.

Margadarshak and SanghaMitra

SCSC is building a safer Cyberabad through initiatives like Margadarshak and SanghaMitra, empowering individuals and communities.

- **63** Margadarshaks & Sanghamitras Certified

Safety Interventions & Case Support

30+ Critical Safety Interventions implemented

- Domestic Violence
- Stalking & Cyberstalking
- Workplace Harassment
- Intimidation & Cheating
- Matrimonial Fraud
- Gated Community & Maid Harassment
- Cyber Safety Concerns
- Support for Specially-Abled Individuals

Victims Supported by CDEW Counselors powered by SCSC

- Cases Received 611
- FIRs Registered 339
- Petitions Compromised 164
- Petitions Pending 108
- Petitions Disposed 503
- Counselling's Conducted 1535

Suraksha Kavach Orientation Reaches 150+ Schools, Empowering Educators on Student Safety.

CHILDREN & YOUTH SAFETY FORUM

Jan – Dec, 2025

Building a Safer Tomorrow for Our Children and Youth

The Children & Youth Safety Forum of the Society for Cyberabad Security Council (SCSC) was launched as a dedicated forum this year. With an advanced mission to create safe, supportive, and resilient learning environments. A curated focused program for children and youth under the umbrella of Suraksha Kavach initiative through formation of Safety Clubs in schools. The Safety Club is a Student-led model comprisesing Students, Teacher, Parents & Police in close coordination and supervision of SCSC. The Safety Clubs ensures continued awareness & activities throughout the academic year.

SURAKSHA KAVACH

Suraksha Kavach Orientation & Safety Clubs Launch

100+ Schools Onboarded

40+ student-led Active Safety Clubs

7,000+ Students & Educators Reached

- Organised across Public, private, international, and SSC institutions
- School Safety Clubs are formed by engaging students through interactive sessions and open dialogue.
- Activity Calender & Handbooks are issued by SCSC to Safety Clubs

Community & Institutional Engagement

- Collaboration with Resident Welfare Associations (RWAs) for neighbourhood-level safety awareness.
- Partnerships with foundations and NGOs Sankalp, Roshini to extend outreach.
- Faculty workshops on campus safety and Suraksha Kavach implementation

Project Suraksha Kavach a student-led safety program transforming school ecosystems through four core pillars:

- **Physical Safety**
- **Cyber Safety**
- **Psychological Safety**
- **Road & Infrastructure Safety**

At the college level, the program further expands to include Substance Abuse Awareness, First Aid & Emergency Response, and simplified understanding of laws, empowering students with knowledge of their rights and responsibilities.

Events, Exhibitions & Recognition.

- Programs showcased at the TGICCC Exhibition through student performances and displays.
- Police Flag Day Competitions & Student Felicitation Ceremony conducted in collaboration with Cyberabad Police to encourage civic responsibility and participation
- **Sankalp Suraksha Run (2K & 5K)** on child abuse awareness with 1,300+ Participants

Cyber Safety sessions under Suraksha Kavach for senior students

SHIELD 2025: Ushering in a New Era of Cybersecurity

CYBER SECURITY FORUM

Jan – Dec, 2025

Cyber security is not a choice, it's a necessity!

The Cyber Security Forum intensified its mission to build cyber-resilient communities. Through sustained outreach, flagship initiatives, and strategic collaborations. Forum empowered citizens, institutions, and organizations to stay safe in an increasingly digital world.

SHIELD 2025

SHIELD 2025, Telangana's first cybersecurity conclave, was organized in February 2025 by Telangana Cyber Security Bureau (TGCSB) and Society for Cyberabad Security Council (SCSC).

1000+ delegates   **14** states

The event featured expert discussions on AI threats, deepfakes, cybercrime, and digital resilience, strengthening collaboration and awareness across Telangana's cybersecurity ecosystem.

OUTREACH - KEY THEMES & FOCUS AREAS

- **Safeguarding digital footprint**
- **Citizen-Centric Financial Frauds**
- **Social Media & Email Security**
- **Cyberbullying and Stalking**
- **Victim Support**
- **Cybercrime Reporting Mechanisms**

ROAD SAFETY & TRAFFIC FORUM

Jan – Dec, 2025

Informed Communities, Safer Roads & Effective Traffic Management!

The Road Safety & Traffic Management Forum of the Society for Cyberabad Security Council (SCSC) played a key role in improving traffic discipline and commuter safety across the Cyberabad Commissionerate through awareness programs, on-ground interventions, and close collaboration with Cyberabad Traffic Police, engaging diverse stakeholders and reinforcing shared responsibility for road safety.

Road Safety Education & Traffic Management

280+ Road Safety & Traffic Awareness Sessions conducted

130+ Volunteers

55,000+ Beneficiaries reached across schools, colleges, corporates, and public spaces

180+ Traffic Marshals

- Specialized Cab & Bus Driver Sensitization Programs
- SCSC supported the NMDC Hyderabad Marathon 28000+ Partcipants
- Grace Cancer Run with 35000+ participants was organised in association with SCSC

Traffic Marshals Training

Traffic Marshal in action

Launch of Cyberabad Traffic Pulse

Cyberabad Traffic Pulse is a joint initiative of Cyberabad Traffic Police & SCSC that shares real time alerts about congestion, diversions, accidents and road closures. It helps subscribe commuters plan better and supports smoother, safer traffic movement across the Cyberabad region.

31st January 2025 Traffic Pulse launch event

On-Ground Traffic Support

SCSC Traffic Volunteers support -

- Festivals traffic management
- Exam centre traffic control
- E-Challan awareness drives
- Drunken Driving checks
- Traffic regulation at junctions, schools & malls.

Project PRAVAAH

Project Pravaah is a symposium of Cyberabad Police, SCSC, TGIIC, HYDRAA, GHMC and HMDA to identify issues, develop strategies, and plan coordinated interventions.

Solution Strategy

Capacity Building through Advance Tech

- Installation of PTZ Hi-Rise Cameras
- Enhancing Enforcement of Traffic Rules through technology
- Leveraging technology for effective traffic management through AI in the form of Vehicle counting and Classification

Chairman SCSC & CP Cyberabad along with BGL, Police and SCSC officers flagging off the SHE Teams bikes supported by Bhagyanagar Gas Limited through SCSC.

PHYSICAL SAFETY FORUM

Jan – Dec, 2025

Prepared communities, stronger security!

The Physical Safety Forum of the Society for Cyberabad Security Council (SCSC) focuses on strengthening physical security preparedness through strategic interventions, CCTV survellance support, and specialized tactical training programs. In 2025, the forum emphasized rapid-response readiness, threat mitigation, and capacity-building for security personnel across critical installations.

Large Scale Tactical Training Programs conducted	3	Beneficiaries	60000+	Outcome	Improved situational awareness, coordinated response mechanisms, and preparedness for emergency scenarios.

BOMB THREAT & TERROR ATTACK AWARENESS

Emergency Preparedness Program

Bomb Threat Situation & Terrorist Attack Awareness Program were conducted at vital installations & IT Parks for employees, security personals & FMS staff.

Training Focus Areas:

Handling armed intrusion situations

Responding effectively to bomb threats

Strengthening inner-periphery security protocols

Tactical Security Training

Team of Central Armed Reserved Force Cyberabad Police conducts these tactical training sessions to improve vigilance, coordination, and rapid response among private security personnel.

Empowering teams with tactical skills for high-threat security challenges.

Armed Intrution situtation training in progress

BUSINESS RESILIENCE COMMAND & CONTROL (BRCC)

BRCC serves as a city-level command hub that issues SITREPs and advisories to organisations to ensures public safety & business continuity during disruptions caused by calamities traffic, cyber threats and any other potential disruptions.

120+ Advisories were issued to ensure citizen safety and the smooth flow of traffic, mostly during 2025 monsoon

Free Health Camp for Police Personnel

HEALTHCARE FORUM

Jan – Dec, 2025

Health awareness for a stronger tomorrow!

The Healthcare Forum of the Society for Cyberabad Security Council (SCSC) continues to play a pivotal role in improving access to preventive healthcare, early diagnosis, and community health education. Through strong collaborations with hospitals, healthcare foundations, corporates, and government agencies, the Forum delivered impactful interventions across physical health, mental well-being, cancer awareness, and tech-driven healthcare innovations.

Total Programs Conducted	30+	Lives Impacted	25,000+

SCSC collaborated with the Grace Cancer Run 2025 in Hyderabad, supporting large-scale community outreach and public awareness. The event brought together over **30,000 on-ground participants** in Hyderabad and more than 1.5 lakh participants globally. Through this collaboration, SCSC promoted safe public participation, volunteer coordination, and preventive awareness messaging, strengthening collective responsibility during large public events.

BENEFICIARIES | PROGRAMS CONDUCTED

3,000+	**Preventive Health Screenings & Diagnostics**
500+	**Mental Health & Workplace Well-being**
750+	**Cancer Awareness & Life-Saving Initiatives**
1000+	**Technology & Innovation in Healthcare**
600+	**Police Health & Specialized Care**

HIGHLIGHTED INITIATIVES | 2025

Comprehensive Health Screening Camps
SCSC organized health screenings for police personnel and their families, focusing on eye and women's health to promote early detection and preventive care.

AI in Healthcare 2025
Healthcare professionals, technologists, and policymakers will explore the future of AI-driven, patient-centered healthcare

Mental Health in the Workplace
This initiative promotes emotional well-being and mental health awareness in corporate and public sectors.

Mental health awareness session at Teleperformance

The Healthcare Forum proposed a COPD Awareness Session and PFT Camp for 300+ police personnel, with AstraZeneca providing technical support for screenings.

 HPV vaccination awareness drives in schools – educating young minds about cervical cancer prevention.

SHIELD 2025

1000+ Delegates.

Law Enforcement Officers from 14 states.

50+ Expert Speakers.

10 Thought-Provoking Panel Discussions.

5 High-Impact Workshops.

3 Closed-Room Sessions for Law Enforcement Agencies & CXO's.

14 Exhibitors Showcasing Cutting-Edge Cybersecurity Solutions.

17 Partners.

SHIELD 2025 Conclave, held on **18–19 February 2025,** served as a landmark platform for cybersecurity collaboration, bringing together **1,000+ delegates** from law enforcement, government, industry, and academia. **Organized jointly by Telangana Cyber Security Bureau (TGCSB) and Society for Cyberabad Security Council (SCSC),** the conclave focused on emerging cyber threats, financial fraud, AI-driven crimes, and digital resilience. It featured expert keynotes, high-impact panel discussions, workshops, and a Technology Experience Zone showcasing advanced cybersecurity solutions. Strategic MoUs and initiatives launched during the conclave reinforced multi-stakeholder cooperation. Overall, SHIELD 2025 strengthened Telangana's position as a national leader in cybersecurity preparedness and innovation.
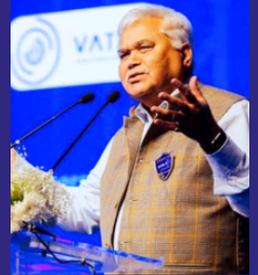

SCSC Conclave 2025

SCSC Conclave 2025, themed "Legacy of Trust – Vision for Tomorrow," held on **11 December 2025,** brought together government, police, industry, and community stakeholders to strengthen Cyberabad's safety ecosystem. The conclave featured 550+ delegates, 35+ expert speakers, and thought-provoking panel discussions across cyber security, women safety, healthcare, road safety, physical safety, and child & youth safety forums. Key initiatives such as the Safe Stay Portal were launched, reinforcing women's residential safety. The event highlighted measurable impact through collaborative, prevention-focused, and technology-driven solutions. Overall, the conclave reaffirmed SCSC's role as a national model for public–private partnership in building safer, resilient cities.
