

SCSC IN ACTION: MARCH 2026

Society for Cyberabad Security Council (SCSC) continues to drive impactful initiatives across its **women safety, children and youth safety, cyber security, physical Safety, road safety and traffic management, and healthcare forums**, empowering communities and building a culture of safety, awareness, and resilience.

Dialogue for a Better Tomorrow – An initiative by SCSC & Cyberabad Police for a safer future.

WOMEN SAFETY FORUM

Safety Is Not a Privilege, It's a Right!

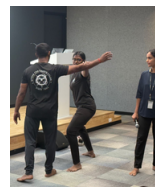

15+ Sessions | 2500+ Beneficiaries

- **Dialogue for a Better Tomorrow:** Society for Cyberabad Security Council, in collaboration with Cyberabad Police, launched "Dialogue for a Better Tomorrow"—a strategic initiative aimed at creating large-scale awareness and strengthening preparedness around women's safety. The initiative highlights key safety programmes and encourages organisations to host interactive sessions on cyber safety, workplace safety, and physical safety awareness, fostering collaboration between institutions, industry, and citizens to build safer and more supportive ecosystems for women.
- Under the **International Women's Day** theme "Give to Gain," the SCSC Women Safety Forum, in collaboration with Cyberabad Police, SHE Teams, and certified self-defence trainers, conducted **Women's Safety Awareness and "Digital Literacy to Secure Yourself" sessions** across corporates, schools, and communities. The sessions highlighted key SCSC initiatives such as **Women Safe Stay, She Shuttle, and Margadarshak – Your Buddy in Distress**, while SHE Teams shared safety protocols and real-life insights. Participants also engaged in **self-defence training including Kalaripayattu and Karate**, promoting awareness, preparedness, and safer communities.
- SCSC, in collaboration with Cyberabad Police, is set to launch **"Margadarshak – Your Buddy in Distress"** in April 2026. The initiative brings together SCSC's two key programs — **Margadarshak and Sanghamitra** — which share a common vision of supporting individuals in distress and strengthening community safety. The unified program aims to build a structured network of trained volunteers who can guide and support individuals in need while promoting safer residential and workplace communities through awareness and timely intervention.

➤ Bharosa Center Intervention:

Counselling conducted	103+	New Petitions received	34
No of marriage Restored	7	No Of petitions referred as FIR	13

CHILDREN & YOUTH SAFETY FORUM

Empowering Young Minds and Ensuring a Safer Future Through Suraksha Kavach.

1 Session | 200+ Beneficiaries

- SCSC Child & Youth Safety Forum, in collaboration with TGCSB, Hyderabad, conducted an interactive session at GITAM University, Hyderabad, introducing the **SPARC Club (Student Program for Awareness & Responsible Cyber Space)** under Suraksha Kavach.

We extend our heartfelt gratitude to all our partners, volunteers, and participants for their unwavering support and active involvement. Together, we are fostering a community that prioritizes health, wellness, and resilience.

SCSC IN ACTION: MARCH 2026

ROAD SAFETY & TRAFFIC FORUM

Informed communities, safer roads!

13 sessions

2,800+ Beneficiaries

- Conducted a series of **Road Safety Awareness Sessions** across corporates, construction companies, cab drivers, and educational institutions, promoting responsible driving and adherence to traffic rules.
- The sessions covered key topics including the Motor Vehicles (Driving) Regulations, 2017, the importance of wearing helmets, proper use of pedestrian crossings, understanding traffic signboards and road markings, and the risks of drunken driving—encouraging safer driving practices and strengthening a culture of road safety for all.

CYBER SECURITY FORUM

Cybersecurity is not a choice; it is a necessity!

5 sessions

700+ Beneficiaries

5 Cybercrime Interventions

- **DiLSeY – Train the Trainer Program:** Day 1 of the DiLSeY Train the Trainer Program was successfully conducted on 28th March 2026, covering key topics such as social media awareness, cyberbullying, sextortion, digital parenting, AI in cybercrimes, and deepfakes, aimed at strengthening awareness and preparedness around emerging cyber threats.
- **Cybercrime Awareness Sessions** were conducted for employees across multiple organizations to address emerging cyber threats and preventive measures. The sessions highlighted risks such as phishing, online fraud, identity theft, and social engineering, equipping participants with practical knowledge to stay safe in today's digital environment.
- **Cybercrime Interventions:** Supported victims of cybercrime by assisting them in filing FIRs and guiding them through the process of reporting and addressing online fraud and digital offences.

HEALTHCARE FORUM

Health awareness for a stronger tomorrow!

1 session

150+ Beneficiaries

- **Basic Life Support (BLS)** training session was conducted for Traffic Marshals to equip them with essential life-saving skills and emergency response techniques. The session provided practical guidance on handling medical emergencies, administering basic first aid, and supporting victims during critical situations until professional medical assistance arrives.

We extend our heartfelt gratitude to all our partners, volunteers, and participants for their unwavering support and active involvement. Together, we are fostering a community that prioritizes health, wellness, and resilience.
