

# PROJECT Suraksha Kavach

**Together, let's build a safe environment for our children**

A SCSC- Children & Youth Safety Forum Initiative

# OUR MISSION

To create a secure and supportive school environment for children by raising awareness and action

## Physical Safety

Good Touch / Bad Touch awareness, substance abuse prevention

## Cyber Safety

Safe online behavior, privacy, digital threats

## Psychological Safety

Emotional wellbeing, mental health awareness, safe space for expression

## Infra & Road Safety

Identifying hazards, promoting safe commuting, responsible mobility

# OBJECTIVE

**Engage with Academic Institutions** to bridge the gap between Police and the Institutions

**Spread awareness** amongst students and faculty about various safety hazards and potential issues

**Share redressal mechanisms and resources** to reach out in case of distress

**Facilitate widespread awareness** by empowering students with information and resources

**Sustain the effort** so it becomes an integral part of the academic culture

**Build a collaborative force** where students, parents, police, and faculty come together to create a safe space for students

## WHAT WE'VE ACHIEVED SO FAR (Apr – Jun 2025)

- ★ Oriented **100+ schools** on the Suraksha Kavach themes.
- ★ Built a **Safe Squad** with 15–18 engaged teachers, NGO partners, and social workers.
- ★ Mobilized **1600+ schools for Anti-Drug Awareness Week** through exhibitions, poster making, slogan writing, and mime performances.
- ★ Developed a **Year-long School Safety Activity Calendar** – making awareness fun and continuous.
- ★ **Suraksha Kavach Kit** - Booklet with details about the Program & Activity calendar.

## WHAT'S COMING UP

**Launching** – The Suraksha Kavach **program in schools 2025**

Monthly theme-based activities

Regular monitoring and mentoring

Sharing success stories and student-led impact

## HOW YOUR SCHOOL CAN PARTICIPATE

Adopt the monthly calendar activities (poster-making, skits, quizzes)

Encourage student-led clubs or a Safe Squad.

Assign a teacher coordinator for smooth communication.

Celebrate your school's safety journey through exhibitions and student showcases.

## WHY IT MATTERS

Your students become more aware, responsible, and confident in handling personal and **social safety challenges**. The program equips them with **life skills, empathy, and a sense of community leadership**.
